ITCER Workshop, Oct 09th to 10th 2023

Seminar and Workshop on:
'DWB Training for Scientists: Mobilizing Ethnobiological
Data in Africa'

Topic of the workshop, introduction of
participants

Rosemary Kinge

Expert Workshop on

'DWB Training for Scientists: Mobilizing Ethnobiological Data in Africa'

Rosemary Kinge, University of Bamenda, Cameroon
 Joyce Jefwa, Pwani University, Kilifi, Kenya
 Roël D. Houdanon, University of Parakou, Benin
 Heritier Milenge Kamalebo, Inst. Supérieur Pédag. of Bukavu, DRC
 Ahmed M. Abdel-Azeem, Suez Canal University
 M. Gryzenhout, University of the Free State, Bloemfontein, RSA
 Olyvia Fadeyi, University of Parakou, Benin
 George Omondi, County Government of Siaya
 Richard Arunga, Kenya Forest Service, Siaya
 Dagmar Triebel, SNSB IT Center, Munich, Germany
 Tanja Weibulat, SNSB IT Center, Munich, Germany

(Members of ITCER Kenya)

Agenda

October, 09th 2023

- 10.00 Welcoming remarks and greetings (J. Matasyoh)
- 10.15 Topic of the workshop, introduction of participants (R. T. Kinge)
- 10.30 Ethnomycology in Cameroon (R. T. Kinge)
- 11.00 Ethnomycology in Kenya (J. Jefwa)
- 11.30 Ethnomycology in the Democratic Republic of Congo (H. M. Kamalebo)
- 12.00 Ethnomycological research: A status report in West Africa in general and Benin in particular (O. Fadeyi)
- 12.30 Lunch Break
- 14.00 The Historic and Ethnomycology of Egypt and Middle East Countries (A. M. Abdel-Azeem)
- 14.30 Introduction to the EthnoMycAfrica database project, workflows and data pipelines as published by Kinge et al. 2023 (G. Rambold, R. T. Kinge)
- 15.10 Concepts for service integration and data publication via NFDI4Biodiversity and GBIF (D. Triebel, T. Weibulat)
- 15:30 Closing remarks
- 18:30 Dinner

Agenda

October, 10th 2023

- 10.00 Excursion on ITCER site
- 11.00 Practical work in the EthnoMycAfrica database project using Diversity Workbench (DWB) tools (Participants on site, not hybrid)
- 12.30 Lunch break
- 14.00 Introduction to ITCER activities (G. Rambold)
- 14.30 Practical work in the EthnoMycAfrica database project using Diversity Workbench (DWB) tools with online demonstration (T. Weibulat)
- 15.00 Discussion, results (to be published online)
- 15.30 Conclusion and closing remarks (G. Rambold)
- 18.30 Dinner
